

## Program in Global Peacemaking

**An educational plan for a new age of world responsibility.**

**"What is needed in this first decade of the Twenty-First Century is a world-oriented university that acknowledges no barriers to the pursuit of knowledge." H. J. Zitko, Founder of World University**

**World University is pleased to announce the launching of a new educational program in Peace and Reconciliation Studies.**

**The following courses will be offered:**

### **Level 0 - Introduction to World Peace: an overview**

This six-week module provides an overview of the steps to peace and reconciliation.

As students move forward in their understanding of the technologies of achieving inner peace, or self-reconciliation, through exercises, readings, and other appropriate coursework, we will survey other aspects of peace, which ultimately leads to the achievement of world peace.
